## ACQUAINTANCE

If your profile matches, we will invite you for an introductory meeting at our head office in Deurne.  
You will have this interview with Dave (Managing Director Operations IPNL) and Jurgen (Manager Projects).

03

## SECOND INTERVIEW

If the first interview was positive for both sides, we will invite you for a second interview with Dave and Ellis (HR). During this interview, we will take a closer look at the position and terms of employment.

04

## OFFER

If we are both still enthusiastic after the 3th conversation? Then you will receive a suitable offer from us.

## Family business

IP Parking is a young and dynamic company full of experience. In our family business, hard work is combined with the necessary dose of fun. We are more than just colleagues and our mutual contact is friendly and based on trust.

## Development

Development is important to us, not only in our products, but also for our employees.

We facilitate (internal) training programs, like to think along with you about possibilities and offer the space to grow.

## Technology

We develop our products ourselves, both the software and the hardware. Here we combine different and interesting techniques. Our mission is to offer our customers and their end users the best Xperience. This ensures that we are constantly looking for new opportunities, techniques and developments. We believe it is important that all employees are given the space to think along in the process and to contribute to the continuous innovations of our services and product range.

We don't have to be the biggest, but we do want to offer the best service to our customers.

## International

Despite the small and close-knit teams, we are part of a growing international organization. We believe it is important that we also work closely with our own customer centers in North America and Belgium and our dealers worldwide, even remotely.

A large company that therefore feels small and where people really make the effort to get to know each other better.

**IPPARKING**  
it's all about Xperience
