# APPLICATION PROCESS

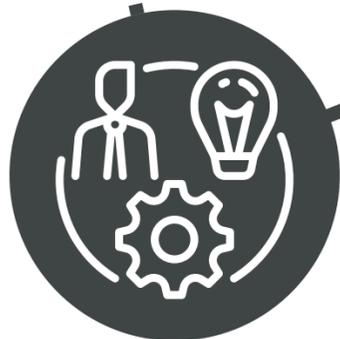

If you are reading this or one of the other vacancies and it makes you happy, we would love to meet you

## Family business

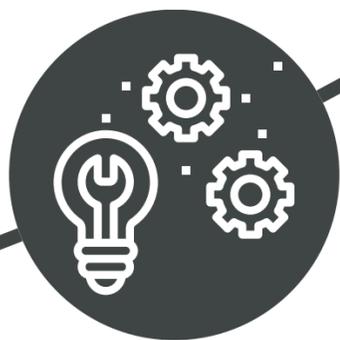

IP Parking is a young and dynamic company full of experience. In our family business, hard work is combined with the necessary dose of fun. We are more than just colleagues and our mutual contact is friendly and based on trust.

## Development

Development is important to us, not only in our products, but also for our employees.

We facilitate (internal) training programs, like to think along with you about possibilities and offer the space to grow.

## Technology

We develop our products ourselves, both the software and the hardware. Here we combine different and interesting techniques. Our mission is to offer our customers and their end users the best Xperience. This ensures that we are constantly looking for new opportunities, techniques and developments. We believe it is important that all employees are given the space to think along in the process and to contribute to the continuous innovations of our services and product range.

We don't have to be the biggest, but we do want to offer the best service to our customers.

## International

Despite the small and close-knit teams, we are part of a growing international organization. We believe it is important that we also work closely with our own customer centers in North America, Belgium and Poland and our dealers worldwide, even remotely.

A large company that therefore feels small and where people really make the effort to get to know each other better.

**IPPARKING**  
it's all about Xperience
